

4824

A Good Pair of German KPM White-glazed Pierced Lattice Porcelain Compotes

in production 1945-1962

Excellent vintage condition with no chips or cracks; Königliche Porzellan Manufaktur, or KPM (established 1723) was a fundamental part of the landscape of the European decorative arts in the 19th Century, and was, and still is, one of the most prolific producers of luxury porcelain
