Playful Signed Bronze Seesaw Sculpture by Curtis Jere 1968

signed & dated 1968

well-executed solid bronze sculpture of young boys on a seesaw; all resting on a solid onyx base; Curtis Jere was a metalwork company of wall sculptures and household accessories founded in 1963. Elle Decor referred to the works of Jere as 'vintage chic' in a 2010 article by Mitchell Owens; nice patina to bronze; minor chipping to edges of onyx base
