A Large Vintage Rosenthal Gray Glass Battuto Style Bullet-form Vase

1970s

the bullet-form vase in gray glass with oculus opening above a frosted upper section over a carved faceted lower portion tapering to the base; this chiseled glass method is similar to the 'Battuto' style made by Ferro Battato in Murano; 'Rosenthal' acid etched signature to underside; good vintage condition with no chips or cracks; minor wear and abrasions overall and to underside
