A Stylish 1960's Porter's Chair

1960's

with high and enclosed hollowed-out back above a loose cushion seat; resting on wooden legs joined by an H-stretcher; excellent vintage condition; newly upholstered; the Porter's chair was placed at the front door to be used by a household servant who awaited a visitor's knock. The design enveloped the servant for warmth and protection from the cold breezes as the door was opened and closed.
