Pair of Custom George III Style Satinwood & Mahogany Demilune Cabinets

1950s

in the Neoclassical taste, each well-constructed, custom made cabinet with satinwood and mahogany veneers and exotic wood inlay; centering a single curved door opening to an interior shelf; the tops adorned overall with radiating fan decoration within a scalloped inlaid border; the sides with intricate urn-form marquetry panels and crossbanding; all raised on square tapering supports; good condition with professionally restored finish; minor veneer replacements
