Vintage Lake Geneva Studios Bronze Bird Sculpture

1970s

a delightful bronze sculpture of a well-delineated sparrow perched upon a bamboo branch surrounded by cattails and reeds all emanating from a foliate ring; the whole resting on a well-figured circular black marble base; etched signature 'Lake Geneva Studio'; Lake Geneva Studio was a well-known bronze sculpture studio founded by sculptor Siri Schillios in Lake Geneva, Wisconsin. The studio operated from the early 1970s until the early 2000s; good vintage condition with overall warm patina
